To holders of Ordinary Shares

Dear Shareholder,

2018 Annual General Meeting

I am writing to give you notice of this year's Annual General Meeting and details of the resolutions to be proposed at the Meeting.

The notice convening this year's Annual General Meeting for 1 November 2018 at 9.00 am at the offices of the Company at 10 Whitechapel High Street, London, E1 8QS is to be found on pages 6 to 10 of this document and sets out the resolutions to be proposed at the Meeting.

Explanatory notes in respect of the resolutions in the notice convening the Meeting are set out below.

Shareholders should read the contents of this document in conjunction with the Annual Report.

Resolutions 1 to 11 comprise the ordinary business of the Meeting and resolutions 12 to 16 comprise the special business of the Meeting. Resolutions 1 to 13 will each be proposed as an ordinary resolution. This means that, for each of those resolutions to be passed, more than half the votes cast must be in favour of the resolution. Resolutions 14 to 16 will each be proposed as a special resolution. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Directors are required to lay the Company's audited financial statements and the Directors' and auditor's reports before shareholders each year at the annual general meeting. The audited financial statements and the Directors' and auditor's reports for the year ended 30 June 2018 are included in the Annual Report.

Resolution 2 – Approval of Directors' Remuneration Report (other than the part containing the Directors' remuneration policy)

The Directors are required to prepare an annual report (the "Directors' Remuneration Report") detailing the remuneration and benefits paid, and share awards and incentives granted, to the Directors during the financial year and a statement from the Chairman of the Company's Remuneration Committee and to seek shareholder approval in respect of the Directors' Remuneration Report (other than the Directors' remuneration policy) every year. The Directors' Remuneration Report for the year ended 30 June 2018 is set out on pages 52 to 65 of the Annual Report. The Directors' remuneration policy was approved by shareholders at the Company's Annual General Meeting held in November 2017 and is therefore not required to be put to the shareholders for approval until the Company's Annual General Meeting to be held in 2020. The resolution to approve the Directors' Remuneration Report (other than the part of the Report containing the Directors' remuneration policy) is an advisory vote only and the Directors' entitlements to remuneration are not conditional upon it.

2018 Annual General Meeting continued

Resolution 3 – Declaration of final dividend

If shareholders approve the recommended final dividend proposed by the resolution, the dividend will be paid on 16 November 2018 to all holders of Ordinary Shares who were on the register of members on 19 October 2018.

Resolutions 4 to 9 – Reappointment of Directors

Under the Company's articles of association, at every annual general meeting Directors who were in office at each of the two preceding annual general meetings of the Company and did not retire at either of those meetings, and Directors appointed by the Board since the last annual general meeting, are required to retire from office and, if they wish, offer themselves for reappointment. As with previous years, the Board has resolved to follow the provisions of the UK Corporate Governance Code that require all Directors to be subject to annual reappointment. Therefore, Martin Morgan (who was appointed as a Director since the last annual general meeting), Pedro Ros, Richard Amos (who was also appointed as a Director since the last annual general meeting), Derek Carter, Nathalie Schwarz and Paul Dollman will retire, and are offering themselves for reappointment as Directors, at the Meeting in accordance with the provisions of the UK Corporate Governance Code and (in the case of Martin Morgan and Richard Amos) also in accordance with the Company's articles of association.

Biographical details of the Directors who are being proposed for reappointment at the Meeting are set out on pages 40 to 41 of the Annual Report, and information about their service contracts and letters of appointment is set out on page 60 of the Annual Report.

It is the view of the Board that the Directors continue to perform effectively and that it is appropriate for the Directors to continue to serve as Directors. In addition, the Directors believe that the Board has an appropriate balance of knowledge and skills and that the Non-Executive Directors being proposed for reappointment at the Meeting are independent in character and judgment.

The Board accordingly supports and recommends the reappointment of each of the Directors.

Resolutions 10 and 11 – Reappointment and remuneration of auditors

In accordance with the Act, the auditors of a company must be reappointed at each general meeting at which accounts are laid. Resolution 10 proposes the reappointment of the Company's existing auditors, PricewaterhouseCoopers LLP, until the conclusion of the next general meeting of the Company at which accounts are laid.

Resolution 11 follows best practice in corporate governance by separately seeking authority for the Directors to determine the auditors' remuneration.

Resolution 12 – Renewal of authority to allot relevant securities

The resolution seeks shareholder approval to grant the Directors a general authority to allot Ordinary Shares, or grant rights to subscribe for or convert securities into Ordinary Shares, in accordance with section 551 of the Act. The resolution, if passed, will authorise the Directors to allot, or grant rights to subscribe for or convert securities into, Ordinary Shares:

- (a) up to a maximum nominal amount of £1,456,901 which amounts to 29,138,020 Ordinary Shares and represents approximately one-third of the issued ordinary share capital of the Company as at 11 September 2018 (being the latest practicable date before publication of this document) (excluding treasury shares); and
- (b) in line with guidelines issued by the Investment Association, in connection with a rights issue only, up to a maximum nominal amount of £2,913,802 which amounts to 58,276,040 Ordinary Shares and represents approximately two-thirds of the issued ordinary share capital of the Company as at 11 September 2018 (excluding treasury shares) as reduced by the aggregate nominal amounts of any allotments or grants made pursuant to the authority granted by paragraph (a) of the resolution.

The authority granted by this resolution, which replaces that which was granted at last year's annual general meeting, will expire at the conclusion of the annual general meeting of the Company to be held in 2019 or the date being 15 months after the date of the passing of this resolution, whichever is the earlier. The Directors intend to seek renewal of this authority at future annual general meetings.

Other than fulfilling the Company's obligations pursuant to the exercise of options granted under the Company's employee share option schemes and awards granted under the Company's performance share plans, the Directors have no present intention to exercise this authority.

As at close of business on 11 September 2018, the Company held 46,584 Ordinary Shares in treasury which represent approximately 0.05 per cent. of the Company's issued ordinary share capital (excluding treasury shares) at that date.

2018 Annual General Meeting continued

Resolution 13 – The Wilmington Save As You Earn Plan 2018

The resolution seeks shareholder approval for the Wilmington Save As You Earn Plan 2018. The Directors recognise the benefits of encouraging wider employee share ownership which this plan will facilitate. The plan is an all employee share plan which is designed to satisfy the requirements of the applicable UK tax legislation so as to provide beneficial tax treatment to the participants and the Company.

A summary of the principal terms of the new plan is set out in the Appendix to this document.

Resolution 14 – Disapplication of pre-emption rights

The resolution seeks shareholder approval to authorise the Directors to allot Ordinary Shares and other equity securities for cash, or to sell treasury shares for cash, without first offering them to existing shareholders in proportion to their existing holdings as required by section 561 of the Act. The resolution, if passed, will authorise the Directors, at their discretion, to allot equity securities otherwise than pro rata to existing shareholdings:

- (a) in connection with a rights issue or other pre-emptive offer which is made not strictly in accordance with section 561 of the Act; or
- (b) otherwise having a nominal value of up to £218,419 which amounts to 4,368,380 Ordinary Shares and represents approximately 5 per cent. of the issued ordinary share capital of the Company as at 11 September 2018 (excluding treasury shares).

The authority, if granted, will extend to the sale of any shares in the Company held as treasury shares in the circumstances described above.

The authority granted by this resolution, which replaces that which was granted at last year's annual general meeting, will expire at the conclusion of the annual general meeting of the Company to be held in 2019 or the date being 15 months after the date of the passing of this resolution, whichever is the earlier. The Directors intend to seek renewal of this authority at future annual general meetings.

The resolution is in line with guidance issued by the Investment Association (as updated in July 2016) and the Pre-Emption Group's Statement of Principles (as updated in March 2015) (the "Statement of Principles"), and the template resolutions published by the Pre-Emption Group in May 2016.

The Directors confirm that they will have due regard to the Statement of Principles, including in particular the requirement for advance shareholder consultation before making any issues of Ordinary Shares for cash on a non pre-emptive basis that exceeds 7.5 per cent. of the issued ordinary share capital of the Company (excluding treasury shares) in any rolling three-year period.

Other than fulfilling the Company's obligations pursuant to the exercise of options granted under the Company's employee share option schemes and awards granted under the Company's performance share plans, the Directors have no present intention to exercise the authority granted by this resolution.

Resolution 15 – Authority to purchase own shares

The resolution seeks shareholder approval to authorise the Company to make market purchases of its Ordinary Shares. The proposed authority will be limited to a maximum of 8,736,749 Ordinary Shares representing approximately 10 per cent. of the issued ordinary share capital of the Company as at 11 September 2018 (excluding treasury shares) and will expire at the conclusion of the annual general meeting of the Company to be held in 2019 or the date being 15 months after the date of the passing of this resolution, whichever is the earlier.

The maximum price, exclusive of expenses, that may be paid for an Ordinary Share will be an amount which is not more than the higher of (i) 105 per cent. of the average of the middle market prices for an Ordinary Share (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the date of purchase, and (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the trading venue where the purchase is carried out, and the minimum price that may be paid for an Ordinary Share will be its nominal value.

Options and awards over an aggregate of 1,439,444 Ordinary Shares were outstanding as at 11 September 2018 representing approximately 1.65 per cent. of the Company's issued share capital on that date (excluding treasury shares) and which would represent approximately 1.83 per cent. of the Company's issued share capital (excluding treasury shares) if the proposed authority being sought at the Annual General Meeting to buy back 8,736,749 Ordinary Shares was exercised in full.

The resolution will also permit the Company to hold any Ordinary Shares purchased by it in treasury instead of cancelling them. Ordinary Shares held in treasury can subsequently be cancelled, sold for cash or used to satisfy share options and awards granted under employee share option schemes and performance share plans and would therefore provide the Company with additional flexibility in the management of its capital base. As at 11 September 2018, the Company held 46,584 Ordinary Shares in treasury representing approximately 0.05 per cent. of the Company's issued share capital (excluding treasury shares). The Directors would consider holding as treasury shares any shares which the Company purchases pursuant to the authority proposed to be granted by this resolution. In relation to any repurchased shares held in treasury however, unless such shares are subsequently cancelled, earnings per share will only be increased on a temporary basis until such time as the shares are subsequently sold out of treasury.

The resolution complies with the current guidelines issued by the investor protection committees and the Directors will have regard to any guidelines issued by the investor protection committees which may be published at the time of any such purchase, holding or resale of treasury shares.

2018 Annual General Meeting continued

Resolution 16 – Notice of General Meetings

The resolution seeks shareholder approval to renew the authority granted at last year's annual general meeting to enable the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice.

This resolution is required under section 307A of the Act. Under that section, a traded company which wishes to be able to call general meetings (other than an annual general meeting) on 14 clear days' notice must obtain shareholders' approval.

The approval, if granted, will be valid up to the next annual general meeting of the Company when it is intended a similar resolution will be proposed. The Company will also need to meet requirements for voting by electronic means under section 307A of the Act before it can call a general meeting on 14 clear days' notice. The Directors do not intend to use the shorter notice period other than in certain limited circumstances such as for time-sensitive matters, where to do so would be to the benefit of the Company's shareholders as a whole.

Action to be taken

You will find enclosed with this document a form of proxy for use at the Meeting. Whether or not you intend to be present at the Meeting, you are requested to complete and return the form of proxy to the Company's Registrars, Equiniti Limited at Aspect House, Spencer Road, Lancing BN99 6DA (or by email to proxyvotes@equiniti.com), in accordance with the instructions printed thereon as soon as possible and, in any event, so as to be received no later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the Meeting.

Completion and return of the form of proxy will not however prevent you from attending the Meeting and voting in person if you should wish to do so.

Recommendation

The Directors unanimously recommend you to vote in favour of all of the resolutions to be proposed at the Meeting, as they intend to do in respect of their own beneficial shareholdings, and consider that they are in the best interests of the Company and the shareholders as a whole and are most likely to promote the success of the Company for the benefit of the shareholders as a whole.

Yours faithfully,

Martin Morgan
Chairman

Entitlement to attend and vote

2. Only those members registered on the Company's register of members:
 - at 6.30 pm on 30 October 2018; or
 - if this Meeting is adjourned, at 6.30 pm on the day two days prior to the adjourned meeting,shall be entitled to attend and vote at the Meeting.

Appointment of proxies

3. Members entitled to attend, speak and vote at the Meeting (in accordance with note 2 above) are entitled to appoint one or more proxies to attend, speak and vote in their place. If you wish to appoint a proxy, please use the Form of Proxy enclosed with this document or follow the instructions at note 8 below if you wish to appoint a proxy through the CREST electronic proxy appointment service. In the case of joint members, only one need sign the Form of Proxy. The vote of the senior joint member will be accepted to the exclusion of the votes of the other joint members. For this purpose, seniority will be determined by the order in which the names of the members appear in the register of members in respect of the joint shareholding (the first-named being the most senior). The completion and return of the Form of Proxy or the appointment of a proxy through CREST will not stop you attending and voting in person at the Meeting should you wish to do so. A proxy need not be a member of the Company. You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by you. If you choose to appoint multiple proxies use a separate copy of this form (which you may photocopy) for each proxy, and indicate after the proxy's name the number of shares in relation to which they are authorised to act (which, in aggregate, should not exceed the number of ordinary shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and returned in the same envelope.
4. You can appoint the Chairman of the Meeting, or any other person, as your proxy. If you wish to appoint someone other than the Chairman, cross out the words "the Chairman of the Meeting or" on the Form of Proxy and insert the full name of your appointee.
5. You can instruct your proxy how to vote on each resolution by ticking the "For" and "Against" boxes as appropriate (or entering the number of shares which you are entitled to vote). If you wish to abstain from voting on any resolution please tick the box which is marked "Vote withheld". It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes "For" and "Against" a resolution. If you do not indicate on the Form of Proxy how your proxy should vote, he/she can exercise his/her discretion as to whether, and if so how, he/she votes on each resolution, as he/she will do in respect of any other business (including amendments to resolutions) which may properly be conducted at the Meeting. A company should execute the Form of Proxy under its common seal or otherwise by signature on its behalf by a duly authorised officer or attorney whose power of attorney or other authority should be enclosed with the Form of Proxy.
6. If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes subject of those proxies are cast and voting rights in respect of those discretionary proxies, when added to the interest in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Services Authority. As a result, any member holding 3 per cent. or more of the voting rights in the Company, who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.

Appointment of proxy using hard copy form

7. The Form of Proxy and any power of attorney (or a notarially certified copy or office copy thereof) under which it is executed must be received by Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA (or by email at proxyvotes@equiniti.com) by 9.00 am on 30 October 2018 in respect of the Meeting. Any Forms of Proxy received before such time will be deemed to have been received at such time. In the case of an adjournment, the Form of Proxy must be received by Equiniti Limited no later than 48 hours (excluding any part of a day that is not a working day) before the rescheduled meeting. On completing the Form of Proxy, sign it and return it to Equiniti Limited in the envelope provided. As postage has been pre-paid, no stamp is required.

Appointment of proxies through CREST

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting to be held on the above date and any adjournment(s) thereof by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual, which can be viewed at www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID: RA19) by the latest time(s) for receipt of proxy appointments specified in the notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy, which are to be transmitted through CREST, must be lodged at 9.00 am on 30 October 2018 in respect of the Meeting. Any such messages received before such time will be deemed to have been received at such time.

Termination or amendment of proxy appointments

9. In order to revoke or amend a proxy instruction you will need to inform the Company. Please send a signed hard copy notice clearly stating your intention to revoke or amend your proxy appointment to Equiniti Limited at Aspect House, Spencer Road, Lancing BN99 6DA (or by email to proxyvotes@equiniti.com) by no later than 9.00 am on 30 October 2018. In the case of a member which is a company, the revocation or amendment notice must be executed under its common seal or by signature on its behalf by an officer or attorney whose power of attorney or other authority should be included with the revocation or amendment notice. If you attempt to revoke or amend your proxy appointment but the revocation is received after the time specified in note 7 above then your original proxy will remain valid. If you submit more than one valid proxy appointment in respect of the same ordinary shares, the appointment received last before the latest time for receipt of proxies will take precedence.

Nominated persons

10. If you are a person who has been nominated under section 146 of the Act to enjoy information rights:

- You may have a right under an agreement between you and the member of the Company who has nominated you to have information rights (the "Relevant Member") to be appointed or to have someone else appointed as a proxy for the Meeting.
- If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights.
- Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

If you are not a member of the Company but you have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in the notes to the Form of Proxy.

Corporate representatives

11. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Questions at the Meeting

12. Under section 319A of the Act, the Company must answer any question you ask relating to the business being dealt with at the Meeting unless:
- answering the question would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information;
 - the answer has already been given on a website in the form of an answer to a question; or
 - it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Issued shares and total voting rights

13. As of 11 September 2018, being the latest practicable date before publication of the notice of the Meeting, the Company's issued share capital consisted of 87,367,489 ordinary shares of £0.05 each (excluding treasury shares) each carrying the right to one vote. Therefore the total number of voting rights in the Company as of 11 September 2018 was 87,367,489.

- be received by the Company at least one week before the Meeting.

Such request must be in accordance with one of the following ways:

- at least 100 members having a right to vote at the Meeting and holding, on average at least £100 of paid up share capital.

Appendix

Summary of the principal terms of the Wilmington Save As You Earn Plan 2018

The Wilmington Save As You Earn Plan 2018 (the "**SAYE**") is an "all employee" share option plan, which is intended to satisfy the requirements of Schedule 3 to the Income Tax (Earnings and Pensions) Act 2003 and will give participating employees the opportunity to acquire ordinary shares in the Company ("**Shares**"). The SAYE will be administered by the Board or a committee appointed by the Board, and references in this summary to the Board should be read accordingly.

Subject to approval of the SAYE at the Company's 2018 Annual General Meeting, Shares may be acquired using savings of up to £500 per month or such other amount permitted under the relevant legislation governing UK "tax-advantaged" SAYE plans from time to time (the "**Savings Limit**") over a fixed period of three or five years.

Eligibility

Each time that the Board decides to operate the SAYE, it must invite all employees of the Company and designated participating subsidiaries of the Company who are UK-resident taxpayers (including Executive Directors) to apply for options over Shares. However, Executive Directors shall not participate in the SAYE until such time as the Company's Directors' remuneration policy permits their participation.

The Board may set a qualifying period of employment of up to five years.

Savings contracts

Under the SAYE, employees will be required to make regular savings under a savings contract (a "**Savings Contract**") with a savings provider.

Exercise price

The proceeds of the Savings Contract can be used to exercise an option to acquire Shares at an exercise price set at the date of invitation. The exercise price may not be less than 80 per cent. (or such other percentage as may be permitted by the relevant UK legislation from time to time) of the market value of a Share at the date of invitation.

Issue of invitations

Invitations to apply for options under the SAYE may only be issued within the six-week period following the Company's 2018 Annual General Meeting. Thereafter, ordinarily invitations may only be issued within the six-week period following the announcement of the Company's results for any period, the day on which changes to UK legislation affecting employee share schemes are proposed or made or the day on which a new Savings Contract is announced or comes into effect. However, the Board may issue invitations at other times in exceptional circumstances. If invitations cannot be issued in any of these periods due to regulatory restrictions, they may be issued within the six-week period following the lifting of the restriction.

Exercise of options

Ordinarily, an option may be exercised within six months of the date the Savings Contract matures.

Cessation of employment

If a participant dies whilst holding an option, the participant's personal representatives will normally have up to a year from the date of the participant's death to exercise the option.

Options may also be exercised early for a period of up to six months from the date the participant ceases to hold office or employment by reason of injury, disability, redundancy or retirement, the sale of the entity that employs the participant out of the Company's Group or, provided the option has been held for at least three years, any other reason apart from dismissal for misconduct.

If a participant ceases to hold office or employment in any other circumstances, any option held by the participant will lapse on the date on which the participant ceases employment.

Corporate events

In the event of a takeover or winding-up of the Company (which is not an internal reorganisation), options may be exercised early. Alternatively, the Board may permit options to be exchanged for options over shares in the acquiring company (and, ordinarily, will require this if a change of control is an internal reorganisation).

Overall limits

The SAYE may operate over newly issued Shares, treasury Shares or Shares purchased in the market.

In any ten-year period, the number of Shares which may be issued under the SAYE and under any other employees' share plan adopted by the Company may not exceed 10 per cent. of the issued ordinary share capital of the Company from time to time.

Treasury Shares will count as newly issued for the purpose of this limit until such time as guidelines published by institutional investor representative bodies determine otherwise.

This limit may be adjusted in the event of a variation of the Company's share capital or similar events (see "Adjustments", below).

Appendix

Summary of the principal terms of the Wilmington Save As You Earn Plan 2018 continued

Adjustment of options

In the event of any variation of the Company's share capital, the number of Shares subject to an option, the exercise price attaching to an option or the limit on the maximum number of Shares that may be used in connection with the SAYE may be adjusted.

Any adjustment to an option may only be made in accordance with the requirements of the applicable legislation.

Amendment, termination and further terms of the SAYE

The Board may amend the SAYE at any time, provided that prior approval of the Company's shareholders in a general meeting will be required for amendments to the advantage of participants relating to eligibility, limits, the basis for determining a participant's entitlement to, and the terms of, the Shares comprised in an option and the impact of any variation of capital.

However, any minor amendment to benefit administration, to take into account legislative changes, or to maintain favourable tax treatment, exchange control or regulatory treatment may be made by the Board without shareholder approval.

The SAYE will usually terminate on the tenth anniversary of its approval by shareholders but the rights of existing participants will not be affected by any termination.

Options are not transferable (other than on death). Options will not form part of pensionable earnings.
